## President's Message

Happy New Year! Point of reference: please pay dues to be a full member for 2020. The new fiscal year started on December 1st and many of you have not renewed for the New Year. We have a full new year of programs and interests. Starting out with next meeting and the talk on Dave Kalter Youth DX trip. The Hamvention theme has also been announced - "Amateur Radio - The Future." Let's continue to focus on the future of our shared hobby. A new year of events is starting as well. Consider coming out and volunteering your time for some worthy causes. I know one of our first events this year is No Buts About It. This 5K event has even more special meaning to me as I just recently lost my best friend to Colon Cancer. I wish you all the best for this New Year and may our shared amateur radio holiday ring strong and true this year. 73, Elizabeth KE8FMJ

## Minutes from December 9, 2019 (Christmas Party)

This is the one meeting of the year where no club official business is conducted and instead we focus on celebrating the year! I counted 31 total members at the party. Everyone had lots of fun and we played a Christmas trivia game. I was unable to see who all received the Panera gift cards, but everyone had good answers and did well. This year instead of a gift raffle, Liz gave everyone self-designed XWARN pins and ID cards. There were different colored star pins for different awards (ex. Secretary, Past President etc.). Below you can find a list of who got which award(s). There were no specific start or end times for the party, so I don't have those listed here.
