## President's Message

Happy April, XWARN!

Is everyone ready for the eclipse? I know some of you are and some of you are tired of hearing about it. I know for me, it has always been a dream to witness one. I cannot believe I get to do it in my own backyard!! Don't forget to be safe and wear the proper eyewear. Have proper filters for your cameras unless in complete totality.

In other news, we are just a few short weeks away from Hamvention. XWARN will again be selling our exclusive t-shirts. Consider coming out to help sell them. We are responsible as members for contributing two hours to the cause. Before we know it, Field Day will be here. I hope you all plan on coming out. We will talk more about that in future meetings.

Hope everyone's Spring is going well and we will see you at the meeting Monday April 8th.

73,  
Elizabeth, KE8FMJ
