President's Message

The summer has been in full swing and as such, full of public service activities. I know my schedule has been completely full of wonderful activities in that regard. The trailer – I am so incredibly proud of the trailer. We have gotten fabulous reviews and praise. We made it into the Ohio Section Journal! Others have asked to see it and asked questions for ideas of their own. And, the Ohio Military Reserve has thrown up some considerations to a MOU, that could offer further financial support of the trailer, with them. There are still ideas for improvements floating around and we need YOUR input. This is a project for the entire club to be proud to take part. As such, it will be at the club meeting Monday evening, August 12, 2024. Come do a show and tell!!
