President's Message

Hello XWARN!

2025 seems to be flying by! The time has changed, and Spring is about to become upon us. We start off a busy event season with the Xenia Marathon. Hope to see lots of you working that on April 6th. Hamvention t-shirts are being prepared. Please don't forget that this is our major source of funding. We need everyone to sign up for at least a 2-hour shift. Before we know it, Hamvention will be here!

With Spring comes storms. Consider attending the National Weather Service Spotter Training online, coming up soon. We can never be too prepared for these storms.

73,

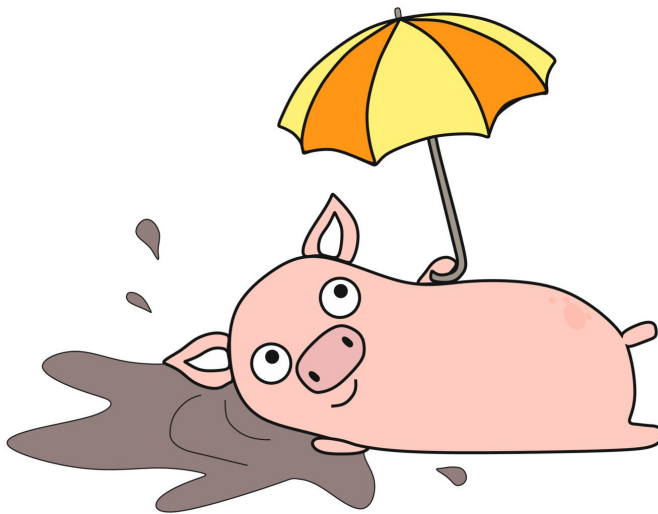

Elizabeth, KE8FMJ AuxC
