President's Message

Happy July, XWARN!

I hope everyone is surviving the intense heat. We had a delightful and successful Field Day despite melting just a little. Looking forward to learning the totals of all the great efforts.

July begins with one of my favorite operating events - 13 Colonies! Are you participating in this operating event? There are many modes to choose from... or try one of each!

Stay cool out there and I'll see you all at our July meeting on Monday July 14th at 7pm.
