

# Wavelengths

## President's Message

Happy August XWARN!

Hope your summer is going well and you got many chances to operate your radios.

Ending the summertime, next month is a large event for our area – the Air Force Marathon. I hope everyone can volunteer. Sign ups usually close August 31st. If you have any questions, contact Bob N8ADO.

Is there any interest in starting a club POTA group? This is something that I've been meaning to try myself and I thought I would gauge everyone's interest.

Try and stay cool. Remember, your radios can overheat, as well.

Elizabeth Klinc, KE8FMJ AuxC
