

# Wavelengths

## President's Message

Fall is nipping at our heels. The temperatures grow cooler and pump-kin spice flavored everything is here. September brings two big public service opportunities with the Young's Bike Tour and the Air Force Marathon. I hope to have the participation from as many club members as possible.

It is also time to start thinking about the upcoming XWARN election. It is a couple months away, but preparations must begin now. We will need an election chair picked at the September meeting. Please consider this important role.

Elizabeth Klinc, KE8FMJ AuxC
