President's Message

Happy June XWARN!

Well, we made it through another Hamvention. The t-shirt sells seem to do well. Once again, we ran out early; however, this time we were able to take orders afterwards and can ship to them when complete. I'd like to thank everyone who helped out with the t-shirts, especially Steve Mackey for heading up the committee and diligently taking after orders.

Now our focus turns to Field Day! ARRL 2026 Field Day is June 27-28. This annual event is one of the largest on-the-air gatherings in the US and Canada, with over 30,000 participants expected. XWARN always hosts a fun time at BTFD Station 61, 2195 Dayton-Xenia Rd, Beaver-creek 45434.

We will have Community Room and bathroom access, as well. Hope you can make it!

73,

Elizabeth, KE8FMJ, AUX C
